MEDICAL NOTICES.

ILP Week, nervour, depressed in spirite, and a proto innumerable mental as well as physical evils, the victim of dyspepsia is indeed an object of commiser-ation. Yet it is absured for him to despair. We care not how low, weak, nervous and irritable he may be, the cordial properties of Hoofland's Ger-man Bitters, prepared by Dr. C. M. Jackson, Philatelphia, are stronger than the many headed monster which is preying upon his body and mind; and if he chooses to try them, we will insure a speedy cure.

TOP LIVER DISEASE,--CARTER'S SPANISH MICK Tran, as a remedy for liver disease, and the numbe, of formidable cvils connected with a disorganized state of that organ, is unrivalled.

Hundreds of certificates, from the highest sources. of persons now living in the city of Richmond, Va. might be given of cures effected by Canven's Syamum Mixrone. We have only room to refer to the extre. ordinary cure of Sami. M. Drinker, Esq., of the tirm of brinker & Morris, Booksellers, Hi hmoud, Va. o was cured by two hottles of Carter's Spanish-Mixture, after three years suffering from disease liv er. He says its action on the blood is wonderful, better than all the medicine be had ever taken, and cheerfully recommends it to all.

We the undersigned have taken and used Dr. A. L. Adams' Liver Halram in our families, and know of its beneficial effects upon others, never having known one who had taken it perseveringly, according to directions, but has been ready to speak in its praise, and extend all other remedies for the removation of a dis-cased extern.
